	48,000
	1,042,000

Provide superior technology, acquisition support and logistics to ensure dominant land force capability for Soldiers, the United States and our Allies.

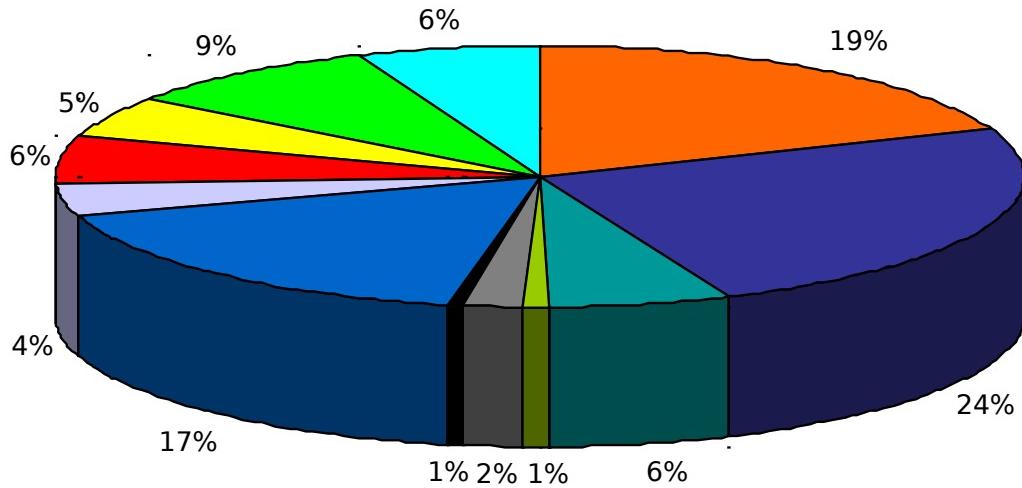

"If a Soldier shoots it, drives it, flies it, wears it, or eats it, Army Materiel Command provides it."

**"Need to be faster, more agile, less bureaucratic... Need to fight this

NOT MILITARILY UNIQUE

Today's Data Environment

Standards-Enabled Data Environment

The GOOD

People are:

- Professional
- Hardworking
- Experienced
- Knowledgeable

The BAD

- Not metrics driven across the Enterprise
- Prioritization schemes are not in place
- Integration opportunities exist

The UGLY

- Value demonstration is challenging
- Requirements – Resource mismatch exists

WHAT WE CAN DO

Communicate more frequently

WHAT WE CAN DO

Work together (even when we don't have to) in order to build knowledge and trust

WHAT WE CAN DO

Share strategic visions,
action plans, priorities
and challenges

Conclusion

**“Need to be faster, more agile,
less bureaucratic... Need to
fight this every day”**
